Why Store at Frost Road Mini Storage?

24-hour, 7-day computer controlled access to your storage space at no extra cost.

- On-site manager.
- Deliveries accepted.
- Perimeter fencing for secure inside and outside storage.
- Long-term outside storage.
- No security deposit required.
- New, modern facility with extra wide drives and doors.
- Gate with battery backup in case of power failure.
- Concrete driveways that are well lit during nighttime hours.

Extra wide driveways and doors for easy car, truck and trailer access.

Sloped driveways so snow and rain drains away and not into your unit.

Concrete lip keeps blowing snow and rain out of your unit.

Storage Unit Advantages

- Clean units for immediate storage.
- Extra wide overhead roll-up garage doors provide easy access.
- Gutters and downspouts divert rain and snow, keeping you and your items dry.

Video cameras strategically located throughout the facility monitor and record all activity.

Secure outdoor storage for RV's, Boats, Campers, etc.

Vapor barrier inside unit for condensation control.

Walls go to the ceiling for secure storage of your contents.
